

EXHIBITION QUARTER, BOWEN HILLS

WHAT: PROJECT UPDATE 8 - COMMUNITY CONSTRUCTION INFORMATION

WHEN: ISSUED WEEK COMMENCING 7th August 2023

WHERE: BRISBANE SHOWGROUNDS PRECINCT

To our valued community,

Works underway

Construction of Exhibition Quarter is progressing well, and the second crane is now installed and operating. We are continuing to complete large scale concrete works, so please be aware there are a number of concrete trucks coming to and from site daily.

Upcoming works

The next phase of work will include the jump form installation, ground floor concrete slab pours and completion of the panel's installation. We do not expect these works to increase the current level of construction noise on the site.

General information

We will continue to minimise any inconvenience where possible and we thank you for your patience while we deliver this exciting new project to Brisbane Showgrounds.

For more information

Included with this letter is the King St Community Newsletter. This includes information on the project and other activities, events, and information for the Brisbane Showgrounds precinct.

If you have any further questions about the development or the broader precinct, please do not hesitate to contact Shannon Volp, Stakeholder and Community Engagement Manager, Lendlease Development or visit our website www.exhibitionquarterowenhills.com.au

For any site specific or operational questions, please contact to Mario Crismani, Construction Manager, Hutchinson Builders.

Yours sincerely,
